Welcome to the IPC

The International Primary Curriculum

The International Primary Curriculum (IPC) is an internationally-minded, thematic, cross-curricular and rigorous teaching structure used in over 85 countries.

The International Primary Curriculum

- ✓ An international, up to date, comprehensive and future oriented curriculum programme
- ✓ Aimed at primary aged children (3-12) growing up in the 21st Century
- ✓ It nurtures a love of learning and encourages the necessary key skills and personal qualities

A 21st Century Curriculum

Why our children need the IPC?

1. Work is changing

The muscle economy is being replaced by the knowledge economy

Why our children need the IPC?

2. Careers are changing

First of all we took a trip to Spain...

Here we all are at the departure lounge. We are waiting for our flight to be announced.

Mrs B checks us in and weighs our luggage.

We wave goodbye from the plane.

Mrs F greets us from the plane in the arrivals lounge, checking our details and offering Sangria.

Entry Point – Rainforest Unit

The Knowledge Harvest

- ✓ Discuss with a partner
- ✓ Make connections

Explaining the Theme

- ✓ For teachers and children
- ✓ Giving children the big picture
- ✓ Display
- ✓ Parents letters

'A display for learning'

Campaign for Learning

‘Good schools everywhere are increasingly recognizing the importance of learning how to learn. By using these innovative and well structured units, primary teachers can inspire their pupils to understand and improve their own learning.’

'The IPC provides a comprehensive and ready to use progression of activities, enabling teachers to concentrate on effective facilitating and delivery rather than having to spend time on planning what to do and how to do it. Teachers are freed from the most ongoing, time-consuming and sometimes stressful process.'

Parent information

- ✓ Draft letter to parents
 - What children are learning
 - What activities
 - How you can help / support

IPC Parents – how you can be involved

- ✓ Look at parent's information letter
- ✓ Supply resources from home and host country
- ✓ Respond to requests for help
- ✓ Talk to the children about their learning
- ✓ Remember that children should enjoy learning

Thank you very much
