Detailed instructions for booking conferences via the Parent Portal

Please note: For all MS/HS teachers and EY/ES specialist teachers:

Please only block one 10 minute slot for each teacher per child even if the teacher comes up twice in your overview. This rule applies to teachers who might teach your child in two different subjects or also function as your child's advisor in addition to being their subject teacher. Double bookings with a teacher will not be accepted in order to give as many parents as possible the opportunity to meet with teachers.

What to do if ...
