

# World Challenge sleepover

- Drop-off at **18:00** on Friday, February 23
- Pick-up at **10:00** on Saturday, February 24

In July 2018, five Grade 10 and 11 students from the FIS are travelling to Morocco for fourteen days on an expedition lead by British organization World Challenge. While in Morocco, the students will spend a week laboring to improve the facilities at a rural school.

To provide extra funds in support of their charity project, the World Challenge Team is holding a school sleepover open to Grade 5, 6 and 7 students. The sleepover will include fun activities, as well as a pizza dinner and breakfast. The Grade 10 and 11 student hosts will have the support of three MS/HS teachers during the sleepover, Ms. Schorb, Ms. Humphrey and Mr. Landmann.

When planning the meals, the team will use the latest information provided by parents to the school nurse on special dietary requirements. If you would like to update the dietary information that the school holds for your son/daughter, or are unsure whether the school holds the most up-to-date data, please contact the school nurse by email at [health@the-fis.de](mailto:health@the-fis.de) or by telephone via the FIS Front Office.

**Cost: 20 €**
