

Secondary School Supply List

We encourage students to reuse materials year after year.

Please remember to **label** all items of clothing, sport bags, snack and lunch boxes, water bottles, headphones, backpacks as well as stationery items. It makes things so much easier!

Stationary

Grades 6 to 12

- 1 pencil case
- 5 regular HB writing pencils
- 2 large glue sticks
- 1 eraser
- 1 pair of scissors
- 1 30cm transparent non flexible ruler
- 1 pencil sharpener
- 3 highlighter pens (yellow, green, blue)
- 1 geometry set (compass, protractor)
- 1 mechanical pencil, lead 0.35mm for Design (Grade 6 to 10)

Grades 6 to 8

- 1 2-ring binder (8 cm) with lined paper and a set of 10 dividers
- 1 mini hole puncher to store in the binder
- 1 set of 12 colored pencils
- TI 30 XA or Casio FX–ES series Scientific Calculator (regular or solar powered)

Grades 6 to 7 (Art Supplies)

- 1 B Drawing pencil
- 1 2B Drawing pencil
- 1 4B Drawing pencil
- 1 Black Stabilo Point 88 Pen

Grades 9

- TI 30 XA or Casio FX–ES series Scientific Calculator (regular or solar powered)

Grades 10 to 12

- Casio FX-CG50 Graphing Calculator

As from Grade 9 students are expected to organize their materials independently or follow their teacher's specific requirements.

Secondary School Supply List

We encourage students to reuse materials year after year.

Physical and Health Education supplies

- o 1 sport bag containing:
- o 1 pair of trainers. These must be suitable for both outdoor and indoor use (have a non-marking sole)
- o 1 T-shirt
- o 1 pair of shorts
- o 1 training pants (for cooler weather and outside practice)
- o 1 long sleeve sport jacket (for cooler weather and outside practice)
- o 1 pair of socks
- o Warm sports hat and/or gloves (optional, for cooler weather and outside practice)
- o 1 water bottle (students are encouraged to use the bottle they bring to school every day)

The PE bag will be sent home every weekend for washing.

BYOiPad (Grades 6 - 8) – We recommend iPads have these minimum specifications:

9.5" or larger size iPads. No Mini models, limited screen space makes it challenging to complete projects.

o iPads able to install and run iOS 11 or higher. This includes the iPad 5th Generation or newer.

o At least 32GB storage

o All iPads coming to school need a protective case. We recommend cases with high quality drop protection as a top feature.

o We also recommend the purchase of a Bluetooth keyboard (some keyboards double as a case like the Logitech Focus Case, look into these options first before purchasing a separate case you might not need).

o Grade 6 to 8 students are also required to bring headphones.

Please note parental control software cannot be added to iPads in our device management system. However, we recommend using Family Sharing to create an Apple ID for your child to manage their access to purchasing apps, music, and more. Also consider setting up any additional restrictions you feel are appropriate on their iPad under the Settings.

Secondary School Supply List

We encourage students to reuse materials year after year.

BYOD (Grades 8 - 12) – Laptop minimum specifications:

- At least 6-8 hour battery life – more is better
- Operating system Mac OS X, Windows 10 (No Chrome OS or Windows RT, or Linux)
- Screen size greater than 10 inches (in Germany screen size is phrased as “Zoll” which is equivalent to inches using the same abbreviation, e.g. 10”)
- Able to connect to Wi-Fi
- Able to be ready for use in under a minute from startup or standby
- Light enough to carry back and forth from school and between classes
- An up to date virus scanner must be installed and updates must be installed on a regular basis (Windows)

If you are not sure if your current device will meet the minimum requirements you can email ITsupport@the-fis.de with your questions.

The school has an agreement with FMS-Computer in Erlangen to purchase iPads, MacBooks, accessories, and insurance at a reduced cost. The Documents and Reports section of the Parent Portal has the specifics about these deals.

Each family at the FIS has unique financial needs; please contact the FIS business manager Thomas.Heinrich@the-fis.de if you would like to discuss options available to assist you purchasing these devices.
