

**Women and technology - it fits together!**

## **GirlsPower@SIEYA**

**Tuesday, 12/15/2020 from 2:00 – 5:00 pm**

**Do you want to know which cool inventions are made by women?**

**Do you want to learn more about what women can do in technical professions at Siemens?**

**Perhaps you would like to learn a technical profession and are still looking for an apprenticeship or dual studies?**

We are happy to invite you to our SIEYA Event focused on the topic of **Girls Power**. We will help you to find the right apprenticeship or dual studies. We also give you useful tips for your application.

**What you can expect on this day:**

- Clips of Siemens employees who show you their workplace
- We show you women in tech from Spain and Germany
- Individual career advice in a 1:1 chat (video-call or text) with our experts
- The SIEYA platform with different areas and interesting clips, 360°-videos, interactive games and much more!
- A cool gift and certificate of participation

**Register via the following link: [sie.ag/SIEYA](https://sie.ag/SIEYA)**

You can already explore SIEYA in advance and experience innovation.

**We are looking forward to meeting you.**
