Art Stationery

Art materials will be collected by the art teacher at the beginning of the year and stored in individual pouches in the art room.

- o 1 box of 12 watercolor paints
- o 3 round soft paintbrushes (size 2, 4, 8)
- o 1 flat bristle paintbrush (size 8)
- o 1 small glue stick

BYOiPad – We recommend iPads have these minimum specifications:

9.5" or larger size iPads. No Mini models, limited screen space makes it challenging to complete projects.

o iPads able to install and run iOS 13 or higher. This includes the iPad 5th Generation or newer.

o At least 32GB storage

o All iPads coming to school need a protective case. We recommend cases with high quality drop protection as a top feature.

o We also recommend the purchase of a Bluetooth keyboard (some keyboards double as a case like the Logitech Focus Case, look into these options first before purchasing a separate case you might not need).

o Grade 5 students are also required to bring headphones.

Please note parental control software cannot be added to iPads in our device management system. However, we recommend using Family Sharing to create an Apple ID for your child to manage their access to purchasing apps, music, and more. Also consider setting up any additional restrictions you feel are appropriate on their iPad under the Settings.

Miscellaneous

1 box of tissues (Kleenex) to share in the classroom.
