FIS Athletic Agreement

Any student participating in the FIS Sports Program must follow the guidelines and rules set by the Franconian International School and the GISST (German International School Sports Tournament).

By completing the GISST registration, prospective FIS student athlete(s) and their parents or legal guardians confirm that they have read the following athletic agreement and will comply with it.

Any violation of the athletic agreement will warrant disciplinary action including possible dismissal from the team, an early trip home from tournaments away from Erlangen at parents´ cost, and referral to school administration for further disciplinary action.

The following information is provided to ensure that all students and parents/guardians have a full understanding of the expectations and responsibilities when a student is involved in the GISST Sports Program. Please read the following carefully.

The following applies to ALL students participating in the GISST Program.

- Students are expected to display a positive attitude, show proper sportsmanship, and represent the FIS in an appropriate manner.
- It is an honour to represent the FIS, not a right. This privilege may or may not be granted to a student.
- An academic work must come first. Students will plan their time carefully. When they miss a class or classes due to travel, they will notify their teacher/s in advance and complete any tasks or assignments as instructed by the teacher concerned.
- Students are required to attend scheduled team practices. Students will make every effort to schedule appointments outside of practice times. Any unavoidable issues need to be relayed to the coach at least a week in advance.
- If students must be excused from practice, they will talk to their coach personally or if they are not available to the Athletics Director.
- Students will participate in all games, both home and away. If students anticipate a problem, they will talk with their coach personally.
- Students are responsible for the team uniforms issued to them. If they are lost or damaged, the students are responsible for the cost of a new uniform.
- When travelling to and from games, students will travel with their team on school provided transport.
- The use of alcohol, tobacco or any other form of drug, are forbidden during any FIS related sporting event or trip and any violation will result in disciplinary action determined by school policy.
- Students must provide Medical Release Form to the Athletics Director.
